Who we are:
Making independent retailers stronger is not just a tagline, it is our entire reason for being. For more than 55 years, Mega Group has provided a competitive edge to like-minded Canadian independent home goods retailers by providing programs and services that save them time and money. Entirely member-owned, Mega Group provides the combined expertise and scale in the areas of Retail financial support, Digital business, and Business Fundamentals that our members cannot easily access or afford on their own.

Our goal is to support local businesses. We believe the best way to do that is by building a team with various backgrounds, cultures, and perspectives to help make our vision a reality. Diversity and inclusion fuel our innovative solutions and unite us with our members and the communities we serve. We have a nationwide, multicultural, and diverse member base - we want to reflect that inside our walls.
